

LEONARDO BUDI K.

SENIOR PRODUCT DESIGNER

Designing thoughtful digital products across
fintech, banking, and enterprise experiences.

Thank you for reviewing my application.

Rather than a traditional PDF, I present my work
through an interactive website where each case
study can be explored in greater depth.

Portfolio

www.leonardobudi.com

Selected projects

- **Nobu FX** – End-to-end foreign currency exchange
- **myBCA** – Improving transfer confidence
- **Toko Mama** – Retail POS experience
